## *Ninety-second Annual List*

The list below specifies doctoral degrees conferred by American universities during the year terminating June 1995. Subject classifications are provided by the author or university.

### **A General Economics and Teaching**

MACKIE, CHRISTOPHER D., Ph.D. University of North Carolina 1994. Research Appraisal and Theory Selection in Economics

### **B Methodology and History of Economic Thought**

GROSS, MARTIN E., Ph.D. University of North Carolina 1995. Models of Man: Pareto's Contribution

PARK, YOUNG HEIU, Ph.D. University of Utah 1994. What Are the Necessary and Sufficient Conditions for the Transition from Feudal Economic System Capitalist through the Perspective from the Debate between Paul Sweezy and Maurice Dobb to the Present

PATCHAK-SCHUSTER, THOMAS, Ph.D. Michigan State University 1994. Economists' Interpretations and Applications of Thomas S. Kuhn's Theory of Scientific Revolutions

SOMANATHAN, ESWARAN, Ph.D. Harvard University 1995. Three Essays in Institutional Economics

### **C Mathematical and Quantitative Methods**

AHN, BYUNG CHUL, Ph.D. Ohio State University 1994. Testing the Null of Stationarity and Cointegration

ATHEY, SUSAN, Ph.D. Stanford University 1995. Comparative Statics in Stochastic Programs with Applications

BROSETA, BRUNO, Ph.D. University of California, San Diego 1994. Adoptive Learning Processes in Coordination Games

BRUNSON, KEVIN, Ph.D. University of Notre Dame 1995. Estimation in the Presence of Multicollinearity: Foundation of the Principal Elements Regression Structure

CHING, STEPHEN T. F., Ph.D. University of Rochester 1994. Essays on Strategy-Proofness

DAVIES, ANTHONY E. J. A., Ph.D. SUNY, Albany 1994. A General Framework for Analyzing Multi-Dimensional Panel Data of Survey Forecasts

FOX, KEVIN JOHN, Ph.D. University of British Columbia 1995. Model Selection Criteria in Economic Contexts

FUJIMOTO, HIROAKI, Ph.D. West Virginia University 1995. Essays on Differential Games

HYDE, CHARLES E., Ph.D. University of California, Berkeley 1994. Market Participation, Negotiation and Contract Specification

IM, KYUNG S., Ph.D. Michigan State University 1994. Estimation with Panel Data

JALILI, ALI REZA, Ph.D. University of New Hampshire 1995. An Inquiry into Non-survey Techniques for Updating Input-Output Coefficients: Comparative Experiments with Data from the Soviet Union

JUNG, YONGCHUNG, Ph.D. University of Rochester 1995. Four Essays on Some Applications of Semi-parametric Estimators in Econometrics

KAMIHIGASHI, TAKASHI, Ph.D. University of Wisconsin 1994. Stability and Complexity in Perfect Foresight Models

KIM, JONG BUM, Ph.D. University of California, Riverside 1995. Estimation and Inferences in Stochastic Frontier Models

KIM, YOUNGCHAN, Ph.D. University of Michigan 1995. Bayesian Analysis of a Binary Choice Multidimensional Scaling Model with Correlated Errors Using the Gibbs Sampling Method

KYRIAZIDOU, EKATERINI, Ph.D. Northwestern University 1995. Essays in Estimation and Testing of Econometric Models

LEE, DONGIN, Ph.D. Michigan State University 1994. Asymptotic Theory for Long-Memory Time Series

LEE, GARY GUOJUN, Ph.D. University of California, San Diego 1994. Long Run and Short Run Modeling of Asset Return Volatility

- LU, XIAOHUA, Ph.D. University of Texas 1994. Essays on Matching, Bargaining, Auctions and Evolutionary Game Theories
- MAJURE, WILLIAM ROBERT, Ph.D. Massachusetts Institute of Technology 1994. Disequilibrium Game Theory
- MARX, LESLIE MCFARLAND, Ph.D. Northwestern University 1994. Three Essays in Game Theory: A Study of Nash Equilibrium, Iterated Weak Dominance, and Learning
- MILLER, DOUGLAS J., Ph.D. University of California, Berkeley 1994. Entropy and Information Recovery in Linear Economic Models
- MINC, XING, Ph.D. Rice University 1995. Semi- and Non-Parametric Estimation and Testing of Economic Models

## NOTICE TO ALL GRADUATE DEPARTMENTS

The *Journal of Economic Literature* will print the ninety-third list of recipients of doctoral degrees conferred in U.S. and Canadian universities for the academic year 1995–96. We invite your participation and cooperation in making this list as complete as possible.

By April 30, 1996, please send a list of your doctoral degree recipients conforming to the format shown below. Please use the three-digit alphanumeric Classification System for Journal Articles listed in the post-1991 issues of the *Journal of Economic Literature*. The record you provide becomes a permanent part of the American Economic Association bibliographies—please proofread for accuracy and check that dissertation titles are in their final, published form.

In addition, kindly include a cover letter noting the total number of recipients and the name and telephone number of a contact person.

### ALL INFORMATION FOR THE 1996 LIST SHOULD BE SENT TO:
